

In-Video Quiz Questions for
Unit 6: Part 2 – (4) Conditions for Linear Regression

(10:05) – slide 6, after “the easier it's going to get for you to be able to tell whether a condition has been met or not.”

1. What condition is this linear model obviously violating?

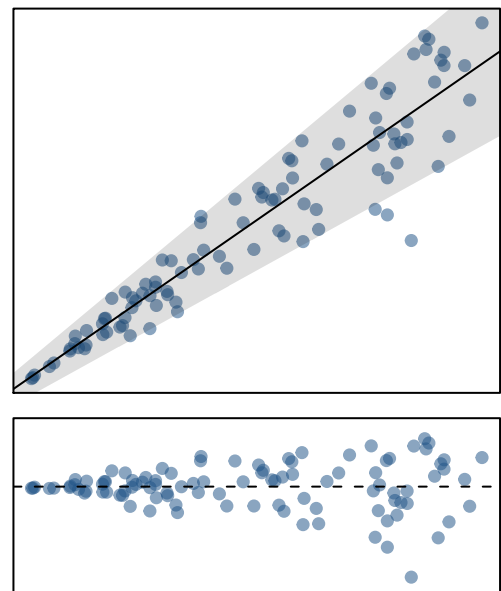

- (a) Constant variability
- (b) Linear relationship
- (c) Non-normal residuals
- (d) No extreme outliers

(04:11) – slide 12, after Question 1

2. What condition is this linear model obviously violating?

- (a) numerical, continuous
- (b) numerical, discrete
- (c) categorical
- (d) categorical, ordinal

Answers:

1. b
2. a
