(04:39)

1. What is the following probability? $P(|t_{10}| > 2)$

You may need to refer to the normal probability table:
http://www.openintro.org/download.php?file=os2_prob_tables&referrer=coursera.php.

    (a) 0.0455
    (b) 0.0509
    (c) 0.0734

Answers:

1. c
